

Cozy Home

Warm, Pleasant, Familial

Mixing together: “Fluffy” sofas full of material, a leather sofa preferably wrinkled, seating areas full of cushions, casual style, blankets, curtains, shaggy carpets, plants, colors abundant in textures.

A small apartment, characterized by a richness of colors, materials, textures, prints, textile and plants. It was planned for a bold fashionable owner who is not afraid of unconventional combinations. A sensual maximalist apartment with Parisian chic, all sage green, powder pink and deep blue. *Interior Design: Vared Bonfiglioli. Photography by Itay Benit.*
